

## ***Perspective change***

This means you'll be re-writing the story as if YOU were the main character.

Ex: Il aime le chocolate → J'aime le chocolat.

*Helpful hints :*

- Verbs with an -ait ending will change to -ais
- For passé compose verbs, only the helper changes  
( il est allé → je suis allé(e) ; il a vu → j'ai vu )

*Task :* Choose 10 sentences from the Cornélius story and rewrite them from 1<sup>st</sup> person perspective.
